## BIBLE STORY (THE BASICS)

In our Bible story today, we see Jonathan's extreme loyalty to David. Jonathan knew that he would not be taking the throne as king of Israel after his father. He also knew that David would be the next king of Israel.

But did that make him jealous? Not a bit! In fact, Jonathan helped David escape from King Saul. Saul was so upset that David would be the next king that he wanted to kill him. Jonathan risked his own life to save the life of his friend. And when they parted company, they both wept.

**Bible Point:** God helps us be loyal friends even when it's hard.

**Key Verse:** "But there is a friend who sticks closer than a brother" (Proverbs 18:24b).

### FAMILY FUN Target Friends

Place three to five buckets in your driveway. Place the name of a different family

friend in each of the buckets. Try to shoot as many rubber bands as possible into the buckets. When you've run out of rubber bands, count how many are in each bucket. Pull the name of the family friend out of the bucket with the most rubber bands in it. Think of a way your family can show their friendship to that person this week.

### Daily Challenge

Today kids committed to one of the following Daily Challenges. Help your child weave faith

into life this week and follow through on his or her challenge! (Have kids circle their choice below.)
